

Kilronan Equestrian Centre Pony Camp Information

Our Summer Pony Camps commence in June and run each week until the end of August. The camps cater for all levels from first time riders from age 5 years old all the way up to advanced teenagers.

Each day of camp is jam packed with activities to suit the level of child. All the Pony Camps at Kilronan are supervised by our team of fully qualified instructors. All of the team at Kilronan hold current child protection certificates and also have current first aid certificates too.

Our pony camps are run in a way that gives each child an idea of how much care , attention and hard work a pony needs on a daily basis and also how enjoyable it is to work with the pony on the ground too. This gives your child much more confidence in the ponies company whether on the ground or in the saddle.

Our Mini pony camps are a great introduction to ponies for your child. Mini camps are divided into two groups , those that are just new to pony riding and those that are comfortable at trot and have just started to canter.

The intermediate and advanced level camps are for children who are cantering and jumping comfortably and are in the 1 hour lessons.

If you are not sure just ask your child's instructor or any of the team at Kilronan.

If your child hasn't ridden with us before , no problem, however we recommend your child has an assessment lesson before doing camp so we can match your child's level to the correct group.

The dates and prices of camps are as follows:

Mini Camps :

Price is €150 for the four days. (All these camps are from Tuesday to Friday)
